RFP Questions and Answers

Q: What is the average miles driven per day, per beat?

A: Currently, Beat 281 (I-80) averages 270 miles per day. Beat 265 (SR 65) averages 208 miles per day. Note that the beats are adjusting as of January 1, 2027 where the western portion of Beat 281 (Riverside Ave to SR 65) will be added to Beat 265.

Q: Is Exhibit B, the “Cost Proposal Form” the only form required to be submitted for consideration?

A: Yes, that is correct. Additional forms may be required of the selected contractor, but for the proposal stage the Cost Proposal Form is the only required form to be submitted outside of the body of the proposal itself.
